Dr. Sugito, MA
Faculty of Education
Universitas Negeri Yogyakarta

Dear Sir,

Warm greetings from Yogyakarta. May this find you well.

One of our institutional goals is providing good services for students, staffs, and visitors. One of the ways to achieve the goal is by inviting colleagues from universities abroad to participate academically in our institution. Given your profile, role and experience in the field of education, I am sure that you are among those that I hope can spend some time sharing with us here.

As we probably have discussed before, we plan to hold the 2nd International Conference on Current Issues in Education (ICCIE) 2015 on 25 – 26 August 2015. I am writing this letter to extend a formal invitation to you to be one of the plenary session speakers in the conference. I wish you can share us about *Equality in Non Formal Education*.

Please accept my appreciation for your attention and willingness to fulfill our invitation. We hope you can really make it so that we can meet our mind concerning the development of education in Indonesia and at the same time strengthen the collaboration between our institutions.

I am enclosing into this letter the outline of the conference and the conference leaflet to give you further details you might need to know.

I am looking forward to hearing your confirmation.

Yours sincerely,

Prof. Dr. Zundan Kun Prasetyo, M.Ed.
Director
