Dear Mrs. Ayriza,

Whilst reviewing my records, I noticed that you haven't taken the required action to finalize your submission to Current Psychology.

The status of this manuscript is still recorded as 'Sent Back to Author', which means that your manuscript was returned to you because you have not taken all the necessary steps to comply with the requisites of the submission process of the journal. Reasons for this could be missing submission items, the manuscript did not comply with the journals 'Instructions for Authors' or a missing completed authorship change form.

I would be grateful if you could log in to your author menu and complete your submission. The system also offers the option to remove the submission should you no longer wish to proceed with this manuscript.

You can obtain your Username/Password, by using the "Send Login Details" link available on the log-in page.

If you are unsure of what action you need to take to submit your manuscript correctly, please do not hesitate to contact me, as I would be happy to help.

If we do not hear back from you or receive your completed submission within the next 14 days, then we will assume that you do not intend to pursue this, and the paper will be removed from the system.

\*If you have been asked to submit an authorship change form, the extended deadline as initially advised applies.
