

# Designing song based activities for young learners

Nury Supriyanti  
supriyanti\_nury@uny.ac.id  
UNY

## An example Old Mac Donald had a farm

### The teaching steps

- Show the first picture
- Ask the students about the vocabulary
- Describe the picture based on the song
- Sing about the second picture
- Until all children can sing the song about the first picture

Ask the children to do the same with the second picture, third etc

Task for the audience

Sing the song and try to design an interactive and interesting activity for this song

Little Sunny Water

Little Sunny Water  
Sleeping in a corner  
Wake up, wake up  
Wash your face  
And make a bumble shake  
Oh, shake it to the left  
And shake it to the right  
Point to the east and point to the west  
Point to the one whom you like best
