Biological and Chemical Research

ISSN 2312-0088

Dear Suyanta,

This is Biological and Chemical Research (ISSN 2312-0088, USA).

Sorry for replying so late.

On behalf of the Editorial Committee, we are pleased to inform you that your paper "Swimming Pool Water Treatment by Electrocoagulation Technique with Aluminum-Graphite Electrode" (No. BCR2018031502), has been processed utilizing a two person referee process and upon their recommendation your paper has been accepted for publication.

According to the policy of the journal, if you agree to publish your paper, you need to confirm several things below and offer us definite answers:

1. The article is original, has not been published before in any form except as a preprint;
 2. The article is not being concurrently submitted to and is not under consideration by another publication;
 3. The attachment is the copyright agreement, if you confirm to publish your paper in our journal, please feel free to sign it and send the scanned file to us;
 4. According to the publishing rules of our journal, the author needs to pay the Article Processing Charges (reviewing, editing etc.). The Article Processing Charges are 200 dollars in total.
- The article will be published online, we will send the softcopy to you after it is published.

We are arranging for the new issues, after you sign the copyright and make the payment, the final publishing plan of your paper will be confirmed.
