- Research Design  ✗ Acceptable  ☐ Not Acceptable
- Research Sample  ✗ Acceptable  ☐ Not Acceptable
RESULTS (FINDINGS):

- Organize your results in terms of research questions or hypotheses.
- The RESULTS SECTION should present all the findings and explain findings. Simply inserting tables/figures is not enough. Comment on the table. Present both quantitative and qualitative data in this section.
- **Don’t cite any reference under these headings.**

DISCUSSION, CONCLUSION AND RECOMMENDATIONS

- Make sure that this section covers the following:
  1. Introduction sentence
  2. Statement of the problem
  3. Review of the methodology
  4. Summary of the main results
  5. References to previous research
  6. Discussion of the results
  7. Recommendations for educators, policy makers
  8. Implications for research and practice
  9. Suggestions for further research
  10. Limitations

Discussion

- Evaluate the observations more critically with recent studies (NEED TO UPDATE WITH 2017-2018 SOURCES) reported on the topic of research under the head DISCUSSION.
- Give CONCLUSION AND DISCUSSION under separate headings and don’t cite reference in the conclusion as well as recommendations.

REFERENCES

- References should be appropriate APA 6 STYLE

Two Authors

List by their last names and initials. Use the ampersand instead of "and."

Three to Seven Authors

List by last names and initials; commas separate author names, while the last author name is preceded again by ampersand.

More Than Seven Authors

List by last names and initials; commas separate author names. After the sixth author's name, use an ellipses in place of the author names. Then provide the final author name. There should be no more than seven names.

Organization as Author

Reference List: Articles in Periodicals

**Basic Format for Journals**

**Article in Journal Paginated by Volume**

Journals that are paginated by volume begin with page one in issue one, and continue numbering issue two where issue one ended, etc.

**Article in Journal Paginated by Issue**

Journals paginated by issue begin with page one every issue; therefore, the issue number gets indicated in parentheses after the volume. The parentheses and issue number are not italicized or underlined.
