						Jumlah		2		

1. The first part of the report is a general introduction to the subject of the study. It should state the purpose of the study, the scope of the study, and the objectives of the study.

2. The second part of the report is a literature review. It should discuss the work of other researchers in the field and show how the current study fits into the overall picture.

3. The third part of the report is the methodology section. It should describe the methods used to collect and analyze the data.

4. The fourth part of the report is the results section. It should present the findings of the study in a clear and concise manner.

5. The fifth part of the report is the conclusion. It should summarize the main findings of the study and discuss their implications.

6. The sixth part of the report is the references section. It should list all the sources used in the study.

7. The seventh part of the report is the appendix. It should contain any additional information that is relevant to the study.

8. The eighth part of the report is the bibliography. It should list all the sources used in the study.

9. The ninth part of the report is the index. It should provide a list of the pages on which each topic is discussed.

10. The tenth part of the report is the table of contents. It should provide a list of the pages on which each section of the report begins.

11. The eleventh part of the report is the abstract. It should provide a brief summary of the study.

12. The twelfth part of the report is the title page. It should contain the title of the study, the author's name, and the date of publication.

13. The thirteenth part of the report is the preface. It should contain a personal message from the author.

14. The fourteenth part of the report is the acknowledgments section. It should thank the people who helped the author during the study.

15. The fifteenth part of the report is the list of figures. It should provide a list of the figures included in the study.

16. The sixteenth part of the report is the list of tables. It should provide a list of the tables included in the study.

17. The seventeenth part of the report is the list of abbreviations. It should provide a list of the abbreviations used in the study.

18. The eighteenth part of the report is the list of symbols. It should provide a list of the symbols used in the study.

19. The nineteenth part of the report is the list of acronyms. It should provide a list of the acronyms used in the study.

20. The twentieth part of the report is the list of appendices. It should provide a list of the appendices included in the study.

21. The twenty-first part of the report is the list of references. It should provide a list of the references used in the study.

22. The twenty-second part of the report is the list of sources. It should provide a list of the sources used in the study.

23. The twenty-third part of the report is the list of works cited. It should provide a list of the works cited in the study.

24. The twenty-fourth part of the report is the list of documents. It should provide a list of the documents used in the study.

25. The twenty-fifth part of the report is the list of books. It should provide a list of the books used in the study.

26. The twenty-sixth part of the report is the list of articles. It should provide a list of the articles used in the study.

27. The twenty-seventh part of the report is the list of chapters. It should provide a list of the chapters used in the study.

28. The twenty-eighth part of the report is the list of sections. It should provide a list of the sections used in the study.

29. The twenty-ninth part of the report is the list of paragraphs. It should provide a list of the paragraphs used in the study.

30. The thirtieth part of the report is the list of sentences. It should provide a list of the sentences used in the study.

31. The thirty-first part of the report is the list of words. It should provide a list of the words used in the study.

32. The thirty-second part of the report is the list of letters. It should provide a list of the letters used in the study.

33. The thirty-third part of the report is the list of numbers. It should provide a list of the numbers used in the study.

34. The thirty-fourth part of the report is the list of symbols. It should provide a list of the symbols used in the study.

35. The thirty-fifth part of the report is the list of acronyms. It should provide a list of the acronyms used in the study.

36. The thirty-sixth part of the report is the list of abbreviations. It should provide a list of the abbreviations used in the study.

37. The thirty-seventh part of the report is the list of tables. It should provide a list of the tables used in the study.

38. The thirty-eighth part of the report is the list of figures. It should provide a list of the figures used in the study.

39. The thirty-ninth part of the report is the list of appendices. It should provide a list of the appendices used in the study.

40. The fortieth part of the report is the list of references. It should provide a list of the references used in the study.

41. The forty-first part of the report is the list of sources. It should provide a list of the sources used in the study.

42. The forty-second part of the report is the list of works cited. It should provide a list of the works cited in the study.

43. The forty-third part of the report is the list of documents. It should provide a list of the documents used in the study.

44. The forty-fourth part of the report is the list of books. It should provide a list of the books used in the study.

45. The forty-fifth part of the report is the list of articles. It should provide a list of the articles used in the study.

46. The forty-sixth part of the report is the list of chapters. It should provide a list of the chapters used in the study.

47. The forty-seventh part of the report is the list of sections. It should provide a list of the sections used in the study.

48. The forty-eighth part of the report is the list of paragraphs. It should provide a list of the paragraphs used in the study.

49. The forty-ninth part of the report is the list of sentences. It should provide a list of the sentences used in the study.

50. The fiftieth part of the report is the list of words. It should provide a list of the words used in the study.

51. The fifty-first part of the report is the list of letters. It should provide a list of the letters used in the study.

52. The fifty-second part of the report is the list of numbers. It should provide a list of the numbers used in the study.

53. The fifty-third part of the report is the list of symbols. It should provide a list of the symbols used in the study.

54. The fifty-fourth part of the report is the list of acronyms. It should provide a list of the acronyms used in the study.

55. The fifty-fifth part of the report is the list of abbreviations. It should provide a list of the abbreviations used in the study.

56. The fifty-sixth part of the report is the list of tables. It should provide a list of the tables used in the study.

57. The fifty-seventh part of the report is the list of figures. It should provide a list of the figures used in the study.

58. The fifty-eighth part of the report is the list of appendices. It should provide a list of the appendices used in the study.

59. The fifty-ninth part of the report is the list of references. It should provide a list of the references used in the study.

60. The sixtieth part of the report is the list of sources. It should provide a list of the sources used in the study.

61. The sixty-first part of the report is the list of works cited. It should provide a list of the works cited in the study.

62. The sixty-second part of the report is the list of documents. It should provide a list of the documents used in the study.

63. The sixty-third part of the report is the list of books. It should provide a list of the books used in the study.

64. The sixty-fourth part of the report is the list of articles. It should provide a list of the articles used in the study.

65. The sixty-fifth part of the report is the list of chapters. It should provide a list of the chapters used in the study.

66. The sixty-sixth part of the report is the list of sections. It should provide a list of the sections used in the study.

67. The sixty-seventh part of the report is the list of paragraphs. It should provide a list of the paragraphs used in the study.

68. The sixty-eighth part of the report is the list of sentences. It should provide a list of the sentences used in the study.

69. The sixty-ninth part of the report is the list of words. It should provide a list of the words used in the study.

70. The seventieth part of the report is the list of letters. It should provide a list of the letters used in the study.

71. The seventy-first part of the report is the list of numbers. It should provide a list of the numbers used in the study.

72. The seventy-second part of the report is the list of symbols. It should provide a list of the symbols used in the study.

73. The seventy-third part of the report is the list of acronyms. It should provide a list of the acronyms used in the study.

74. The seventy-fourth part of the report is the list of abbreviations. It should provide a list of the abbreviations used in the study.

75. The seventy-fifth part of the report is the list of tables. It should provide a list of the tables used in the study.

76. The seventy-sixth part of the report is the list of figures. It should provide a list of the figures used in the study.

77. The seventy-seventh part of the report is the list of appendices. It should provide a list of the appendices used in the study.

78. The seventy-eighth part of the report is the list of references. It should provide a list of the references used in the study.

79. The seventy-ninth part of the report is the list of sources. It should provide a list of the sources used in the study.

80. The eightieth part of the report is the list of works cited. It should provide a list of the works cited in the study.

81. The eighty-first part of the report is the list of documents. It should provide a list of the documents used in the study.

82. The eighty-second part of the report is the list of books. It should provide a list of the books used in the study.

83. The eighty-third part of the report is the list of articles. It should provide a list of the articles used in the study.

84. The eighty-fourth part of the report is the list of chapters. It should provide a list of the chapters used in the study.

85. The eighty-fifth part of the report is the list of sections. It should provide a list of the sections used in the study.

86. The eighty-sixth part of the report is the list of paragraphs. It should provide a list of the paragraphs used in the study.

87. The eighty-seventh part of the report is the list of sentences. It should provide a list of the sentences used in the study.

88. The eighty-eighth part of the report is the list of words. It should provide a list of the words used in the study.

89. The eighty-ninth part of the report is the list of letters. It should provide a list of the letters used in the study.

90. The ninetieth part of the report is the list of numbers. It should provide a list of the numbers used in the study.

91. The ninety-first part of the report is the list of symbols. It should provide a list of the symbols used in the study.

92. The ninety-second part of the report is the list of acronyms. It should provide a list of the acronyms used in the study.

93. The ninety-third part of the report is the list of abbreviations. It should provide a list of the abbreviations used in the study.

94. The ninety-fourth part of the report is the list of tables. It should provide a list of the tables used in the study.

95. The ninety-fifth part of the report is the list of figures. It should provide a list of the figures used in the study.

96. The ninety-sixth part of the report is the list of appendices. It should provide a list of the appendices used in the study.

97. The ninety-seventh part of the report is the list of references. It should provide a list of the references used in the study.

98. The ninety-eighth part of the report is the list of sources. It should provide a list of the sources used in the study.

99. The ninety-ninth part of the report is the list of works cited. It should provide a list of the works cited in the study.

100. The hundredth part of the report is the list of documents. It should provide a list of the documents used in the study.
