Dear Wipsar Sunu Brams Dwandaru,

Your paper has been **accepted by our first reviewer**.  
It is necessary to perform the below stated corrections he asked.

1.  
All the references that you have listed under section References must be cited in the text where you have used them with the reference number in square brackets at the end of the sentence or the paragraph (e.g. [1]). If you have not specified them in the text, do not list them under section References.

2.  
Write more than 7 references (at least 12).  
**You must have not less than 10 references visible in Google Scholar.**

3.  
Write references in APA style, for example:  
[1]. Hemmasian Kashania M.M., & Dobregob K.V. (2013). Heat and mass transfer in natural draft cooling towers, *Journal of Engineering Physics and Thermophysics*, 86(5), 1072-1082.

After the corrections you should send us your paper again.

Dear Editorial of TEM Journal,

Thank you very much for the Emails.

We are pleased to learn that our manuscript originality is good and has been accepted by the first reviewer. Thank you very much for the comments given by the reviewer. Therefore, we would like to respond to the comments below.

1. **Comment 1:** All the references that you have listed under section References must be cited in the text where you have used them with the reference number in square brackets at the end of the sentence or the paragraph (e.g. [1]). If you have not specified them in text, do not list them under section References.

**Response:** Thank you very much for the constructive comment. We have revised the References section. All reference items are cited in the text. The citations have been revised into square brackets in the text.

2. **Comment 2:** Write more than 7 references (at least 12). **You must have not less than 10 references visible in Google Scholar.**

**Response:** Thank you very much for the comment. We have added some references to a total of 14 items in the References section. Most of them are already visible in Google Scholar.

3. **Comment 3:** Write references in APA style, for example: [1]. Hemmasian Kashania M.M., & Dobregob K.V. (2013). Heat and mass transfer in natural draft cooling towers, Journal of Engineering Physics and Thermophysics, 86(5), 1072-1082.

**Response:** Thank you again for the comment. We have revised the References section according to the APA style. This may be seen in the revised manuscript sent to the Editor.

Moreover, we have attached:

1. the revised manuscript, and
  2. the response letter to the Editor
- in this Email.

Thank you very much for your attention. Hopefully, our manuscript may be further considered to be published in the TEM Journal.

Best regards,

Dear Wipsar Sunu Brams Dwandaru,

We have undertaken minor linguistic corrections in your paper.

Your paper "Increasing the Productivity of Rice (*Oryza sativa*) Crop via Exposure of a Micro Chip Audio Generator System "

**has been accepted** to be published and printed in Tem Journal Vol.8, No.4, (in last week of November, 2019).

**Please sign copyright agreement form, and send a scanned copy back to us.**

**Publication fee** (covers: publishing, review and databases indexing costs): **400 euros**

It is necessary to make the payment within 14 days. If you do not make the payment within that time period, we will publish the paper in the next issue.

In attachments, you can find details about how to pay publication fee.

You can opt for one of the two payment methods.

If your work is paid by an Institution then you can pay via our bank account and if you are paying by yourself, and if it suits you, then you can pay via Western union.

After payment, please inform us.

Your paper may not be published elsewhere (journal, scientific conference, etc.), in substantially the same form, in English or in any other language.

Dear Editorial of TEM Journal,

We are delighted that our manuscript has been accepted to be published in the November 2019 Edition.

Therefore, we hereby would like to inform you that we have paid the publication fee (400 Euros) through bank transfer and also completed the copyright form. The proof of the publication fee payment and the scanned copyright agreement are attached herewith.

We hope that our manuscript may be considered further for publication in the November 2019 Edition.

Please let us know that you have received this email. Finally,

Best regards,
