

Speaking

Part 3

What is part 3?

You will be invited to participate in a discussion of more abstract issues linked to the topic in part 2

You could for example be asked to talk about people's eating habits, diets, fast food or genetically modified food as a thematic link to your talk on a restaurant in part 2

You will be expected to be able to express your opinions and give reasons.

How to Prepare for Part 3

Remember, there is no wrong answer. Don't be afraid to say what you think about a topic

Try to give interesting responses

Show your ability to express abstract ideas and support your opinions

Demonstrate a willingness to give extended responses. Don't give one-word answers

A blue wave with white foam is crashing over a large, pink, cloud-shaped graphic. The text is written in a bold, dark blue serif font inside the cloud.

**You have
5 minutes
to do part
3**

Practice *in pairs*

Eating habits

- Tell me about the types of food that people eat in your country.
- How are the eating habits now in your country different from eating habits in the past?
- How healthy is your country's food?
- Why do you think different cultures have different table manners?
- How may eating habits change in coming decades?

Practice *in pairs*

Education

- How are education priorities today different from those in the past?
- What is your opinion on the way languages are taught in schools?
- How can the type of school you go to affect career success?
- What changes do you think will happen in the classroom in the near future?

Practice *in pairs*

Sports

- What types of sports are popular in your country?
- What are the benefits of playing a sport?
- Do you think the types of sport that are popular will change in the future?
- how can sports bring people from different countries closer together?
