Dear Authors,

Please be informed that after peer review your proposal "*The role of commitment on the effect of public workers' OCBO on in-role performance*", submitted to our journal has been accepted for publication by the next issue no.32nd. There are still some problems to be solved related with the references and template of the paper. All these issues will be solved by our team.

We are expecting each of you to make subscriptions on 2019 to our journal. All details can be find here: <http://www.ramp.ase.ro/en/> , where you get the subscription form.

Best regards,

Based on the previous information of final decision,  
we received that **Armenia Androniceanu** <[armenia.androniceanu@man.ase.ro](mailto:armenia.androniceanu@man.ase.ro)>  
said that my proposal has been rejected by your editorial board (see previous email,  
below)

It makes me a little bit confuse which one the official one of your decision.

regards
